

Curriculum vitae

Name: Hamdollah Karamifar
Address: Shiraz University of Medical Sciences, Shiraz-Iran
Tel. Number: 0711 6474298
Date of birth: 21- 2- 1952
Place of Birth: Shiraz
Marital Status: Married
Number of Children: 4

Education: M.D.: 1978 Mashhad University of Medical Sciences
Mashhad - IRAN
Pediatric Residency, 1984 - 1987
Shiraz University of Medical Sciences, Shiraz - IRAN
Endocrinology and Metabolism fellowship 1992- 1994
Shiraz University of Medical Sciences, Shiraz - IRAN

Academic position: Professor of Endocrine & Metabolism Shiraz
University of Medical Sciences, 1994 - ...

Language skills: Fluent in Farsi
Good command of English

Publications:

1. Karamifar H, Amirhakimi- GH.
Xeroderma pigmentosum with neurological complications: The De-sanctes-
cacchiane syndrome. Med- J of the Islamic Republic of Iran 1997, 11 (2), 153-155
2. Karamifar H, Mehranbod Sh.
Prevalence of stress hyperglycemia among patients attending on the neonatal
and pediatric emergency ward of Shiraz University of Medical Sciences.
J of Kerman University of Medical Sciences 1998,5(4):171- 177

3. Karamifar H.
Acute adrenal crisis: Twenty first congress of professor Gharib: Common diseases in children 1998;183-189
4. Karamifar- H, Karamizadeh Z, Amirhakimi GH.
Cations and anions in drinking water putative contributory factors to endemic goiter in Shiraz. Iranian J Pediatric 1998, 10; 254-261
5. Karamifar- H, Amirhakimi GH.
Desmopressin in primary child hood nocturnal enuresis.
Journal of Shahid Sadoughi University of Medical Sciences and health services 1999, 7(3);40-44
6. Karamifar H.
Survey of Patients with different types of Rickets in Fars Province. J of Medical Faculty Guilan University of Medical Sciences 1999, 8(31- 32); 72-76
7. Karamifar H, Amirhakimi GH.
Combination of insulin- dependent diabetes mellitus and graves disease in a patient with down's syndrome. Irn J Med Sci 2001, 26 (1 & 2); 82 - 84
8. Karamifar H, Amirhakimi GH.
Hypercalciuric Hypophosphatemic Rickets. Acta Medica Iranica 2001, 39 (1); 46-47
9. Karamifar H.
Endocrine emergency in Neonates and children Published by Shiraz University of Medical Sciences 2001
10. Haghghat M, Karamifar H.
Cystic fibrosis presenting with severe dehydration in an other wise normal infant. Irn J Med Sci 2001, 26(3,4); 182-184
11. Karamifar H., Shahriari M., Amirhakimi Gh.
Linear growth deficiency in beta thalassemia patients: Is it growth hormone dependent? Irn J Med Sic 2002; 27, (2); 47-50
12. Karamifar H.
Prevalence of Rickets in Children with Pneumonia: JMR 2002; 33-39

13. Karamifar H., Pishva N., Amirhakimi GH.
Prevalence of Phototherapy- Induced Hypocalcemia : I J Med Sci 2002, Vol 27, No4, 166-168
14. Karamifar H, Shahriari M, Sadjadian N.
Prevalence of endocrine complications in β -thalassemia major in the Islamic Republic of Iran. EMHJ 2003, Vol. 9, 55-60
15. Karamifar H, Amirhakimi GH.
Goiter and hypothyroidism in children with insulin dependent diabetes mellitus. Feyz, Kashan University of Medical Sciences & Health Services 2004, Vol 7, No 28; 95-100
16. Karamifar H, Karimi M, Amirhakimi GH, Sharbatdar alaei M, De Sanctis V.
Reduced insulin Growth factor I concentrations in Iron-over loaded β -thalassemic patients with normal growth hormone secretion and liver function. Pediatric Endocrinology Review 2004, Vol 2. Suppl 2; 256-258
17. Karimi M, Karamifar H.
Short stature in beta-thalassemia minor subjects. Med Sci Monit 2004, 10(11); 603-605
18. Asadi-Pooya AA, Karamifar H.
Body mass index in children with beta-thalassemia major. Turk J Haematol 2004, 21(4); 77-180
19. Karamifar H, Ajami GH, Ilkhani H.
Effect of diabetic ketoacidosis on children myocardial function. Sci, Med J Ahwaz Jondi Shapur University of Medical Sciences 2005 Nov 43; 13-22
20. Karamifar H, Shahriari M, Amirhakimi GH.
Failure of puberty and linear growth in beta-thalassemia major. Turk J Haematol 2005, 22(2); 65-69
21. Karamifar H, Shahriari M.
Frequency of hypothyroidism in fanconi anemia. I J Med Sci 2005, 30(3); 115-118

Presentations:

1. Karamifar H, Karamizadeh Z, Amirhakimi GH.
Desmopressin in childhood nocturnal enuresis. The third international congress

on endocrine disorders. Sept. 4-8, 1995

2. Vakili R, Amirhakimi GH, Karamizadeh Z, Karamifar H.
The study of nonclassical 21- hydroxylase deficiency near high school girls (14 - 18 years) in Shiraz. The third international congress an endocrine disorders, Sept. 4-8, 1995
3. Karamifar H Amirhakimi GH.
Etiological diagnosis of hirsutism in 14- 18 years old girls. The fourth international congress on endocrine disorders Nov. 20 - 22, 1996
4. Karamifar H.
Prevalence of stress Hyperglycemia Among patients Attending a Pediatric and Neonatal emergency Department in Shiraz University of Medical Sciences. The 10th international congress of Geographic Medicine Nov, 1997, 44
5. Karamifar H, Karamizadeh Z. Amirhakimi GH.
Cations and anions in Drinking water putative contributory factors to endemic goiter in Shiraz, the 10th international congress of Geographic Medicine Nov 1997, 147
6. Karamifar H, Amirhakimi GH.
Prevalence of goiter and hypothyroidism in diabetic children
The 5th International Congress of Endocrine Disorders. Sep. 8, 1999.
7. Karamifar H.
Survey of Patients with different types of Rickets in Fars Province. The 5th International Congress of Endocrine Disorders. Sep. 8, 1999.
8. Karamifar H.
Incidence of rickets in children with pneumonia. The 13th international congress of geographic medicine, Oct. 2-5, 2000 Shiraz – Iran
9. Karamifar H, Pishva N.
Prevalence of phototherapy induced hypocalcemia. 14th International Congress of Geographic Medicine Nov. 5-8, 2001. Shiraz-Iran
10. Karimi M., Karamifar H. Short stature in β -thalassemia minor subjects. 45th Annual meeting of the ASH. 6-9 Dec. 2003, Sandiago, USA.

11. Pishva N, Karamifar H.
A prospective double blind study on the effects of zinc supplements on the growth of low birth weight neonates in the hospitals affiliated to Shiraz University of Medical Sciences. The 2nd Sarvar Festival of children Researches. Mashhad 17-18 November 2004
12. Karamifar H.
Congenital hypothyroidism. Update in pediatric endocrinology. Mashhad 20-21 July 2005; 41-50
13. Inaloo S, Karamifar H.
Hypomagnesemia in diabetic children. 18th International Congress on Pediatric Diseases. Iran J Pediatr; 23 Oct. 2006
14. Karamifar H.
Childhood obesity. 7th National Seminar on Obesity and Related Disorders. Shiraz 17-19 November 2006
15. Karimi M, Karamifar H, Sobhani N. Insulin-like growth factor-1 in β thalassemia minor children. 10th International Conference on Thalassemia & Haemoglobinopathies & 12th International TIF Conference for Thalassemia Patients and Parents. 7-10 January 2006, Dubai, UAE.
16. Karamifar H.
Hypercalcemic crisis. Iranian Congress of Pediatric Emergency. Tehran 3-7 Feb 2007
17. Karamifar H.
Thyroid nodules in children and adolescents. The 2nd Iranian Congress of Pediatric Endocrinology. Isfahan 11-12 July 2007
18. Karimi M, Emad Marvasti V, Karamifar H, Khabiri M, Jabbarian A, Safaei Jahromi F. Gynecomastia in thalassemia major adolescent boys. International Thalassemia Conference. 11th international conference on thalassemia & haemoglobinopathies and 13th International TIF Conference for thalassemia patients & parents. 8-11 October 2008, Singapore.
19. Shahriari M, Karamifar H. Evaluation of thyroid function after treatment of Hodgkin lymphoma. 6th Congress of SIOP Asia. Suppl 1, March 2010
